▶▶ **ABOUT THE COMPANY**
Dance Centre TALA is a contemporary dance company as well as a dance centre that provides dance education for children and adults and enables young choreographers to present their work through their project Young Choreographers Platform. In addition, TALA deals with production works for various promotions, video clips, TV shows, advertisements and show spectacles, which opens up an opportunity for professional dancers to enter the entertainment industry. In their artistic work, they collaborate with Croatian and foreign choreographers and perform in Croatia and abroad (Austria, Mexico, Czech Republic and Bosnia and Herzegovina).

The company produces contemporary dance performances for adults as well as for children.

The Pig Is Lovesick

choreography:

Vincent Silva Sanjines

number of dancers: 6

The game between a man and a woman who consume love and desire in many ways, sometimes tender and sometimes violent, it can resemble two lovers with deep emotions for each other, but also pigs in their hedonistic play of always grabbing for more.

▶▶ **REVIEW EXTRACT**

...the passion of amorous bodies, a series of short infatuations, the chemistry that occurs between two people...the encounter that happens or fails to happen; it is poetic or rough... followed by a fall and emptiness...
